DATE: November 25, 2002
TO: LPA/P&Z Commissioners
FROM: Rob Walsh, Principal Coordinator
RE: Continuance of the Sanford Joint Planning Agreement

Staff is recommending that the above mentioned project be continued until the January 8, 2003, LPA/P&Z meeting in order to resolve a number of concerns between the City of Sanford and Seminole County. A change in staff assignments has caused some delay in accomplishing this task.
